

Grandlite®

HIGH POWER LIGHTING SYSTEM

LED Flood Light

LED-500

Product Description:

This compact but powerful flood light is a true innovation combining practicality and aesthetics. With highly efficient LED engine and precise optical control, greater lighting performance adds the value to its exterior appearance. These LED lights have transformed the landscape lighting environment. Utilizing performance optics and long lasting driver, these landscape lights will last for years to come.

Optional mounting and Kelvin color* with adder.

Features:

LISTING

UL and CUL listed for wet locations

HOUSING

Solid construction die-cast aluminum body

LEDS

120 VAC LED

FINISH

UV stabilized powder coated finish

LENS

Integral glare shield and tempered glass

OPTIONS

Optional 347V with adder

Optional photo control with adder

Finish - Bronze. Color option with adder

Available Options

Optional
photo control
